

# ACLU OF KENTUCKY

## 2017 ANNUAL REPORT

TRAVEL TIMES  
TO KENTUCKY'S  
LAST REMAINING  
ABORTION CLINIC

### JUSTICE REFORM

Our Kentucky Smart on Crime coalition works toward a smarter, fairer justice system. This year the coalition notched another victory when new legislation was signed into law that knocks down barriers to employment for justice-involved individuals and enhances training and educational opportunities in Kentucky jails and prisons.

Click here to ask your legislators to support smart justice with policies like bail reform and raising the felony theft threshold.

### REPRODUCTIVE FREEDOM ABORTION ACCESS

The ACLU-KY is currently representing the state's only remaining abortion clinic in two lawsuits: one challenging a new state law requiring narrated ultrasounds before an abortion, the other challenges the constitutionality of required transfer/transport agreements for abortion clinics.

Click here to ask your legislators to respect the rights of Kentuckians to make decisions that are best for their families, without interference from the General Assembly.

### REPRODUCTIVE FREEDOM PREGNANT WORKERS' RIGHTS

We continue our advocacy work in Frankfort to ensure that no Kentucky parent has to choose between their pregnancy and a paycheck. In the past year we've built a coalition of local and regional groups to get this legislation signed into law.

Click here to ask your legislators to support the Pregnant Workers' Act to keep Kentucky workers safe, healthy, and employed.

FAIRNESS  
PROTECTIONS

Come In **WE'RE  
OPEN**

### LGBT FAIRNESS PROTECTIONS

As we fight for statewide anti-discrimination protections for LGBT Kentuckians on the state level, we continue our Fairness Coalition work supporting grassroots activists in 7 cities across the Commonwealth as they work to secure these essential protections on the local level.

Click here to ask your legislator to support amending Kentucky's Civil Rights Act to include "sexual orientation" and "gender identity."

### VOTING RIGHTS

Kentucky has the second-highest rate of African-American voter disenfranchisement in the country. That's why we're collaborating with ACLU National's People Power initiative on a campaign to reinvigorate the effort to overturn Kentucky's practice of permanently barring Kentuckians with felony convictions from voting.

Click here to ask your legislator to restore the right to vote, because voting is the cornerstone of our democracy and the fundamental right upon which all our civil liberties rest.

### RELIGIOUS REFUSALS

The ACLU-KY continues the essential work of safeguarding Religious Freedom in the Commonwealth, at the same time we continue to oppose any attempts to use religion as a license to discriminate.

Click here to ask your legislator to oppose any attempt to legalize discrimination that would harm Kentuckians and hurt the commonwealth's economy.
